No.SMS-6/2023-24/RDD/MGNREGA-Misc.- 2432-2433
Government of Himachal Pradesh
Rural Development Department

From The Director-Cum-Commissioner (MGNREGA)
Rural Development Department
Himachal Pradesh, Shimla-9

To The Deputy Commissioner-cum-DPC,
Sirmaur and Una, Himachal Pradesh.

Dated Shimla-9 22 March, 2024

**Subject: - Expenditure on Natural Resource Management Works (NRM)
in MWC blocks under MGNREGS.**

Sir,

I am directed to inform you that as per the MGNREGS guidelines, 65% of the total expenditure is to be incurred on natural resource management works in the MWC blocks. While reviewing the progress made under this parameter, it has been observed that MWC blocks have not been able to incur 65% expenditure on natural resource management works during the current FY 2023-24. This issue was also highlighted by the GOI during the Labour Budget (LB) meeting under MGNREGS in respect of Himachal Pradesh for the FY 2024-25 on 19th, March, 2024 held under the Chairmanship of Secretary (RD) to the Government of India, wherein strict directions were given to the State that it should ensure that 65% of the total expenditure is incurred on natural resource management works in MWC blocks.

Considering the importance of the issue it is requested that directions must be issued to the concerned programme Officer /BDOs to comply with this mandatory condition & ensure that atleast 65% of expenditure in their blocks should be on NRM related works. Progress in this regard must be reviewed, so that these blocks take up maximum number of works relating to natural resource management under MGNREGS, for achieving desired level of expenditure under this activity.

Yours faithfully,

**Addl Director-cum-Addl Commissioner (MGNREGA),
Rural Development Department,
Himachal Pradesh, Shimla-9**
