Secretary L.S.G. may point out the articles to be retained for the use of the territorial council and the staff.

Ava Lodge has been placed at the disposal of the T.C. The C.E.O., T.C., has written to say that he has gathered informally that the rent for Ava Lodge is likely to be charged under 45B and not 45A and that the rent of the building would be nearabout Rs. 1,000/- p.m. He has accordingly requested that the Admn. should move the GOI to relax the rules so that the rent may be charged under 45A and not under 45B. If L.G. approves, a reference will be made to the GOI not only regarding Ava Lodge but also regarding all other buildings that may have to be placed at the disposal of the T.C. or of the Chairman of the T.C. or of the servants of the T.C. for some policy decision regarding fixation of rent. 23

The C.E.O. also mentions that the Administration's decision regarding the placing of the Council Chamber at the disposal of the T.C. has not been conveyed to them ~~so~~ so far. I understand that there was a move to shift the Civil Supplies, Cooperatives, LSG and Panchayats departments to Solan and this would have rendered the Council Chamber Hall surplus and this surplus accommodation could have been placed at the disposal of the T.C. I am, however, of the view that the Council Chamber Hall alone will not meet the needs of the T.C. and Ava Lodge is much too insufficient. The T.C.'s demand is that the entire Council Chamber be placed at their disposal but this, to my mind, is also not feasible because the Ava Lodge would be all the more insufficient for Sectt. purposes. The best way out seems to be to ask the T.C. to take private buildings on rent or to point out to us government buildings so that we can make a move to the GOI to place those buildings at the disposal of the T.C. L.G. may kindly pass suitable orders. 24

L./G.

L.G. observes that he had only made a provisional offer for accommodating the T.C. by giving only the Hall of the Council Chamber and that also in lieu of ~~accomm~~ alternative accommodation in Ava Lodge. But from the subsequent correspondence, it appears that the T.C. requires the entire Council Chamber in addition to Ava Lodge. This is not possible till some building is allotted to the Administration by the GOI to lodge its own secretariat and for which a request has been made to the GOI and as soon as a suitable building is allotted to the Administration the Council chamber will be placed at the disposal of the T.C. In the meantime the Council should take private buildings 25

on rent or point out to us Govt. buildings so that we may make a move to the GOI to place those buildings at the disposal of the T.C.

28 The position reg the availability of the Council Chamber to the T.C. has been explained to the C.E.O vide page 15/A. and it remains unchanged.

29 'Knockdrin' was first rejected and in its place Avalodge was taken. Knockdrin is near the Council Chamber and the C.E.O wants it because it is near the Council Chamber. Since

H-83014

Council Chamber cannot be spared immediately for T.C., perhaps CEO may not like to have 'Knockdrin' in that event.

As regards the availability of a portion of Kennedy House for T.C., it is understood that action is being taken to get a portion in Kennedy House vacated but for what purpose will it be utilised is not known. 30

A.S (L.LSG) may kindly find out 31

(i) From CEO if Knockdrin is still required even if Council Chamber is not spared

(ii) From A.S. (SAD) if a portion of Kennedy House has been got vacated and whether it is being allotted to T.C. A.

C.E.O, T.C., has moved for allotment of additional accommodation in Kennedy House or elsewhere for the offices of the T.C. as it is experiencing acute shortage of accommodation. On a similar reference received earlier the matter was taken up with SAD, and it reported that 26 senior clerks besides the Principal Officers Medical and Education had been accommodated in the Kennedy House as a temporary measure and it was not possible to accommodate more as the Secretariat staff is experiencing acute shortage of accommodation. 42

It will thus appear that on the one hand the T.C. is in need of more accommodation and on the other we have no accommodation to spare. I am, therefore, of the view that we may write to the Estate Officer to suggest some suitable buildings for the T.C. and we should also write to the T.C. that this is the step that we have taken and that in the meantime the T.C. should also obtain private buildings on rent and suggest to us vacant govt. building which we can procure for them. We may also write to the GOI for allotment of some building/buildings to the T.C. L.G. may kindly approve 43

56 I further find that the letter at p. 33 was addressed to the Deputy Secretary which is wrong in procedure. It should always be sent either to Sec. to Govt. of India, M.O.H. Affairs or to Sri P.N. Sheyal, Deputy Sec., M.O.H. by name as there are more than 2 dozen Deputy Secs in M.O.H. Affairs.

2. As the Territorial Councils are proposed to be constituted from 1st August, 1957, this may kindly be treated as immediate.

I do not think Knockdrin will be suitable. The date of constitution has since been changed to the 15th August, accordingly L.S.

My dear Shinghal,

Please refer to your D.O. letter No.26/31/57-SR(R) dated the 27th June, 1957, regarding allotment of a suitable building in Simla for the Himachal Pradesh Territorial Council.

As you are aware, we have already suggested 'Ava Lodge' for allotment to the Himachal Pradesh Government for this purpose. However, it happens to be in the occupation of Shri Harish Chandra, Umpire in the D.G.S.&D. arbitration case. He is expected to vacate this building towards the middle of August. Nevertheless, we did try to persuade him to move into 'Knockdrin' immediately so that 'Ava Lodge' could be placed at the disposal of the Himachal Pradesh Government. Shri Harish Chandra however has not acceded to our request and I have intimated the position to Shri Hari Sharma, Joint Secretary, Ministry of Home Affairs. Shri Hari Sharma told me that he would make an effort to persuade Shri Harish Chandra to move into 'Knockdrin' in view of the urgency of the requirements of the Territorial Council for the accommodation in 'Ava Lodge'. As soon as Shri Harish Chandra vacates 'Ava Lodge', we shall place the building at the disposal of the Himachal Pradesh Government.

The only alternative accommodation available with us at the moment is 'Knockdrin', which is also a spacious building but has less accommodation than 'Ava Lodge'. We are willing to place it immediately at the disposal of the Himachal Pradesh Government, if they require it.

Yours sincerely,

Dear Shri

I am desired to acknowledge receipt of your D.O. letter No. 26/31/57-SR(R), dated the 19th July, 1957, addressed to Shri Channa.

2. It is understood that the Territorial Council for Himachal Pradesh will be constituted with effect from the 15th August, 1957, and not from the Ist August, 1957, as stated in your letter under reference. I am also informed that Shri Harish Chander will be vacating "Ava Lodge" on the 4th of August, 1957. The Administration will, therefore prefer to take possession of this building as soon as possible after 4th August to enable proper furnishing etc. to be done well in time before the 15th August. "Knockdrin" would not be suitable for the purpose of the Territorial Council and as such this Administration is not interested in obtaining possession thereof even temporarily.

Sub: Rent for Ava Lodge and other buildings housed by the Territorial Council.

....

My dear Shri Srivastawa,

I informally gather that rent for Ava Lodge is likely to be charged under the schedule 45-B. This would mean that the rent for this building would be almost Rs. 1,000/- a month. We have not so far had a decision as to whether the Council Hall Building is likely to be placed at our disposal at an early date or not. I would request that a very early decision be conveyed on this. I would also request you to kindly move the Government of India to relax the rules so that rent that has to be charged from the Territorial Council is not at the rate of schedule 45-B but at the rate of schedule 45-A.

My dear Singh,

Kindly refer to your D.O. letter No. T C.-100/57 dated October 30,1957, raising question of rent for Ava Lodge and for placing Council Hall building at the disposal of the Territorial Council.

With respect to moving the Govt. of India to relax the rules so that rent for Ava Lodge may be charged at the rate provided by 45A and not 45B, I am desired to say that a reference is being made to the Govt. of India as desired and as soon as we hear from the Govt. of India, we will communicate the decision to you.

With respect to your request for placing the Council Chamber at the disposal of the T.C., I am desired to say that the L.G. had made an offer for accommodating the T.C. ~~for~~ by placing the Hall of the Council Chamber only at the disposal of the Council and that also in lieu of alternative accommodation in Ava Lodge. But from the subsequent correspondence, it appears that the Council requires the entire Council Chamber in addition to Ava Lodge. It is not possible for the Admn. to place the entire Council Chamber at the disposal of the Council till some suitable alternative building is allotted to the Admn. by the Govt. of India for lodging its own Secretariat. A request has been made to the Govt. of India for this purpose and as soon as a suitable building is allotted to the Administration, the entire Council Chamber will be placed at the disposal of the Council. In the meantime, it is desirable that the Council should take private buildings on rent or

fi-836/4

to point out to the Administration suitable government buildings so that the Administration may make a move to the Govt. of India to place those buildings at the disposal of the Territorial Council.

Yours sincerely,

My dear

As you know, Ava Lodge has been placed at the disposal of the Territorial Council. The Chief Executive Officer has informed the Administration that he has informally gathered that the rent for Ava Lodge is likely to be charged under 45B and not under 45A and that the rent of the building under 45B would be nearabout Rs. 1000/- per month. He has accordingly made a request that the Administration should move the Govt. of India to relax the rules so that the rent may be charged under 45A and not under 45B. I have accordingly been directed to make this reference not only regarding Ava Lodge but also regarding all other buildings x that may have to be placed at the disposal of the Territorial Council or of the Chairman of the Territorial Council or of the servants of the Territorial Council with the request that the Government of India may take a decision regarding fixation of rent for such buildings and communicate the same to us for intimation to the Territorial Council.

Kindly refer to your D.O. letter No. TC.33-6/57 dated the 5th November, 1957.

I am desired to say that it would be very difficult for us to get private buildings and if at all we get some of these, they will be scattered here and there and the rent will be very high. Could you very kindly consider expediting a decision regarding placing of the Council Chamber at our disposal. Could you also very kindly help us in getting 'Knockdrin' which is very close to the Council Chamber building. We would be able to locate our offices in both these buildings so that our present building Ava Lodge could be vacated. Till then, as I have separately submitted, a portion of Kennedy House may be made available so that our branches can function in one compact block.

In view of the recruitment of the additional staff by the Council, the problem of the office accommodation with the Council has become more acute. It has been with great difficulty and not with out inconvenience to all concerned, that the Officers and the staff have been working in the cramped accommodation at present available with the Council. 2. The decision conveyed in the G/I, Ministry of Works, Housing & Supply, letter No. 12/25/58-ACC dated the 25th February, 1958, relates to the allotment of Central Govt. accommodation to the Territorial Council and its staff ~~and~~ the procedure for the recovery of the rent therefor and not to the recovery of the rent for those buildings which have been ~~are~~ transferred to the T.C. alongwith the institutions. The decision of the G/I ~~states~~ indicates clearly that the Territorial Councils and their staff are eligible for Central Govt. accommodation which means that they can ask for the allotment of Govt accommodation and the C.P.W.D. or the Estate office should not refuse such allotment to them on the plea that T.C. is a corporate Body and ~~its~~ employees are not Govt. servants. If such accommodation is made available by either the CPWD or the Estate office, standard rent will be charged under F.R. 45-B as given in the letter quoted above.

Dated the JULY, 1960.

My dear

Apropos our telephonic discussion, I am desired to say that the Council offices at Simla are scattered at various places in the following buildings:-

1. Ava Lodge, Simla-4.	General, Vety. and Engineering Department of Council Sectt.
2. Labour Hostel, Simla-4	Education Department of Council Secretariat.
3. Kennedy House.	Medical Department of Council Secretariat and portion of Education Department (Office of Registrar, Departmental Examinations).
4. Cleave Land, Simla-4	Office of the Dist. Inspector of Schools, Mahasu District.
5. Boundary, Simla-E.	Office of the District Medical Officer, Mahasu District.
6. Nabha Estate	Office of the Assistant Animal Husbandry Officer, Mahasu District.

The total floor area of the above buildings under occupation of the Council is about 21,000 sq.feet and the annual rent paid for these buildings is about Rs.20,000/- per annum. You will agree with me that these buildings are scattered and the officers and staff have to come alongwith files daily for the one reason or the other to the main building - Ava Lodge, which is very difficult in rainy and snow seasons. Moreover, files from one building to another are to be sent daily and if compact block for all offices of Council is made available then these difficulties will be removed and the problem of shortage of office accommodation felt by the Council will be solved. I am, therefore, to request you to kindly make

Subject:- Allotment of residential accommodation for Central Govt. Officers in Simla.

I am directed to say that at the suggestion of the Central Welfare Review Committee, a Committee of the Heads of Central Govt. Offices in Simla was recently formed to deal with common welfare problems. At its meeting held on the 21st August, 1961, this committee adopted inter- alia two resolutions relating to the allotment of Govt. accommodation to officers of the Territorial Council and sharing of transit accommodation in the Grand Hotel. Copies of the two resolutions are enclosed. It is requested that the comments of the Administration thereon may kindly be furnished to this Ministry at an early date.

.-.-.-.-.

Copy of the Resolution adopted by the Committee of the Heads of Central Government Offices in their meeting held on 21.8.1961.

.-.-.-

Sub:- Allotment of houses to Central Govt. Officers.

(i) It was brought to the notice of the Committee and corroborated by the Asstt. Estate Manager, Directorate of Estates. Simla that the allotment of houses to the officers of the Himachal Pradesh Territorial Council was being made from the Central Govt. Pool on the same priority basis as the Central Government Officers stationed at Simla. This does not appear to be correct as the Himachal Pradesh Territorial Council being a local body and several of its officers being on loan from the Govt. of India etc. these officers were not entitled to accommodation from the pool unless all the Central Govt. Officers had been provided for and accommodation was still available. The Committee was therefore of the view that the present system of allotment so far as it related to the allotment of houses to the officers of the Himachal Pradesh Territorial Council amounted preferential treatment being shown to these officers and should, therefore, be discontinued.

(ii) The Committee was informed that six family suites inthe Grand Hotel described as 'transit accommodation' were reserved for officers of the Himachal Pradesh Administration. The Committee saw no good reason why this accommodation should be exclusively reserved for officers of the Himachal Pradesh Administration in as much as the necessity for transit accommodation was felt equally by officers belonging to various Central Government Departments who came on transfer from distant places to Simla. The Committee was, therefore, of the view that the entitlement to the accommodation in question should be shared equally with officers of the Himachal Pradesh Administration by all Central Government Officers stationed at Simla.
