Subject: **Up-dation of guarantee related information in Debt Management Portal**

Sir,

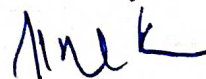

I am directed to refer to the subject cited above and to say that the information available in the web portal is being used/reported by the State Government and Accountant General office for various purposes. So there should be no discrepancy in the information available in this portal for any month. But, it has been observed that the figures/information once updated in the web portal, are being changed subsequently by some of the State PSUs/entities.

Therefore, in order to maintain the authenticity/reliability of the data, it has been decided now that the information updated during a month will be locked automatically by the end of each month. So there will be no option with the user to change data/information, once it is locked.

In view of the above, all users are advised to make entries every month in the web portal carefully as per the timeline given vide this office letter dated 31st January 2022. However, in case of any erroneous information, if noticed after locking of the system, the same may be intimated to the office of Accountant General and this office with detailed reasons for such error.

This system will be operational after 15 days of issue of this letter.

Yours faithfully,

(Dr. Abhishek Jain, IAS)
Secretary (Finance) to the
